IV. Ongoing Business

- Skipped this month

V. New Business

- Recap of meeting with Norco and Moreno Valley assessment coordinators
  - Jude and Denise met with Ashley Johnson (Norco) and Lisa Hausladen (MVC). Norco is piloting assessment in Canvas, it is a bit more streamlined from what they shared with the committee in fall. Once they are done with the pilot, they will share with us. It is a lot of work on the front end for faculty, figuring out ways to streamline that will be needed for us to adopt this process.
  - We proposed revisioning GE SLO 1 for critical thinking – The revision is mainly to clarify and eliminate redundancy. Norco and MVC support the change. They will bring the proposal to their colleges and will meet at the end of the month to finalize the revision. Then it will go to Academic Senate and the Curriculum Committee. There is no process for making this change, we are developing that process with senate as they revise their bylaws over the next year.

Revise GE SLO rubric

The GE SLO rubric is shared with the committee and discussed in breakouts.

- Suggestions were made to modify the language of the GE SLO.

VI. Old Business

  - 2022-2023: Need new report

VII. Other - If anyone wants a discipline/department level for the current assessment standing, contact Wendy McEwen.
